Call for Track

13th China goes Global Conference

Globalization, Cooperation and Conflict Redefined

Sept 30 - Oct 2, 2019

Rollins College, Orlando, Florida

The 13th Annual China goes Global conference will be held at Rollins College in Winter Park (Orlando), Florida. CGG is interested in examinations of how Chinese movements of people, ideas, money and products affect nations, industries and companies from around the world. We seek multidisciplinary, multi-method and multi-level studies on the globalization of China in general.

We call on the past members of the Chinese Globalization Association (CGA) to join us as track chairs and propose new tracks in their particular fields of interest.

Track Chair Rights and Responsibilities

There might be co-chairs in each track. At least one of the co-chairs should be designated as the primary contact person, and should plan to attend the conference. The responsibilities of the track chairs will be to:

1. Suggest new tracks
2. Liaise with the program chair on all matters that concern CGG 2019
3. Promote the track submissions to ensure an adequate participation
4. Develop a list of potential reviewers for the track
5. Recommend best papers in the track
6. Chair a session in the track

Evaluation of Track proposals

Each proposal will be evaluated by the program committee. Decisions will be based on (a) the overall merit of the proposal, and (b) the significance of the topic to CGG.

Approved track chairs will benefit from a reduced registration fee (US380 dollars), together with a group of at least 4 presenters that he/she would recruit to the panel.

Submissions

Track proposals should be e-mailed to Francesca Spigarelli francesca.spigarelli@unimc.it as soon as possible, but no later than October 1st, 2018. Notifications of acceptance or rejection of proposed tracks will be sent out in October 10th, 2018. Accepted tracks will be included in the call for papers.

We look forward to receiving your CGG 2019 track proposals!
